PARISH COUNCIL NEWS

There will be work taking place in the car park. A new accessible bench and ramp is being installed and the Japanese knotweed will also be controlled.

Beverley Beekeepers Association would like anyone identifying an invasive Asian Hornet to contact them as it is a threat to our wildlife. For further info & to report sightings contact search online for bit.ly/asianhornetreport. A notice is displayed in the bus shelter and on the car park notice board which has a photo of the bee.

There are a number free children's Easter holiday activities available locally for those in receipt of free school meals. It includes sports and swimming sessions. Further information is displayed in the bus shelter or you can find out more and book online at www.activeastriding.co.uk/holiday-activities-and-food

The agenda for the next meeting will be displayed at least 3 days beforehand on the notice board in the bus shelter; minutes and agendas are also on the Huggate Village Website <https://huggatevillage.org/village-meetings>. The next meeting will be Monday 15th April 2024 at 7pm in the Juliarnos Room on Mill Lane.

If anyone has any feedback, suggestions or ideas please contact Penny Hudson, Parish Clerk by emailing clerk-huggate@outlook.com or talk to one of the Parish Councillors: Clive Owen (Chair), Claire Myers, Stewart Middleton, Jane Thorpe, Vicky Knocker, Kevin Ashurst or Sophia Hobson (contact details are published on the Parish Council notice board in the bus shelter and on the village website).

Time Capsule

There is still an opportunity to put your own contribution into the time capsule. We would like to put **a photograph of everyone who currently lives in the village**, but it would be impossible to get everyone together so we are suggesting that everyone **send a current photograph** of their family, or group of neighbours on mobile phones to ruthb9308@gmail.com or to 07392832875.

These will then be put into a montage as a record of the residents in the village in 2024.

Church Flooring

The contractors Pinnacle have started the work of reflooring. The nave has been dug out the depth needed for the limecrete floor to be installed. The next phase will be to move the font to the north west end of the nave. After this they will start the floor with an insulating layer, then limecrete screed and finally when it that has cured the new stone floor.

Remnants of the Early Medieval floor have been exposed, an unusual survival inside a church; and a fire pit which the archaeologists think could have been used to melt the lead for the windows.

Dates are being arranged over the Easter holiday for groups safely to access the church, to see the work so far and the finds in the church - notification will be on WhatsApp.

Churchyard Work on maintaining the churchyard will begin again on Tuesday evenings on **9th April from 6 o'clock**. If you are able to help with grass cutting, caring for the flower beds and ensuring that the churchyard is open, neat and tidy to be enjoyed by villagers, visitors, walkers and cyclists, please join us or help at another time to suit your own commitments.
