SUMMER FAIR

The weather was kind and many enjoyed the Fair. Immense thanks to all who contributed their time and effort - preparing marquees and tables, baking cakes, looking after stalls, and much else including tidying up in record time. And thank you to all who attended. Over £750 was raised for church funds.

Church Flooring

The transformation of the church into a beautiful and versatile space was much appreciated; a lovely new feature is the font cover made from wood from one of the old pews. More of the pews have gone to the joiner who is converting them into cupboards for the servery and storage. Some of the plumbing is now in for the new toilet. Thanks to Johnny Milner for storing crockery etc. while the work has been done, and to Andrew Nichols for storing pews.
